

Lindsay Goldberg Announces Investment In Big Ass Solutions

NEW YORK & LEXINGTON, KY – December 22, 2017 – Lindsay Goldberg, the leading private investment firm for family- and founder-led businesses, today announced it has invested in Big Ass Solutions® (the “Company”), the leading manufacturer of fans, lights and controls for industrial, commercial and residential use under the Big Ass Fans®, Haiku®, and Big Ass Light® brands.

Brian Kelley, a Partner at Lindsay Goldberg, said, “We are extremely excited to partner with Big Ass Solutions. We see the Company as a unique opportunity that fits perfectly into Lindsay Goldberg’s investment philosophy. Founder Carey Smith has built a special company with an extremely strong brand name, best-in-class products, and world class people. We look forward to building on Carey’s amazing legacy and expanding the Company over the long-term.”

About Big Ass Solutions
