

Lindsay Goldberg Acquires PSC, LLC

Houston, Texas – 07/30/10

PSC, LLC (“PSC”) an industry leading environmental and industrial cleaning solutions provider, announced today that Lindsay Goldberg has finalized its purchase of the company. The terms of the deal were not disclosed.

“Lindsay Goldberg will be a strategic business partner that will assist PSC in realizing its full potential. I, along with our entire Management Team, am excited about working with our new owners who have a proven track record of successfully building businesses in the industrial services and environmental industries.” said Bruce Roberson, President and Chief Executive Officer of PSC, LLC, “Together, we will continue to grow our business and build a stronger company, one that defines the art of the possible within our markets, while keeping our commitments to upholding the highest levels of integrity, safety, customer service and environmental compliance.”

Over the last five years, PSC has positioned itself as a leading provider of environmental and industrial cleaning solutions. PSC has grown by strengthening its national footprint, investing in leading edge technology platforms, and deploying higher value added service offerings to its customers.

About PSC
